EDUCATION

University of Southern California, Marshall School of Business — **Los Angeles, CA**
Master of Science in Marketing, *Specialization in Analytics (STEM)*, GPA: 3.8 — *Expected Dec 2026*

Santa Clara University — **Santa Clara, CA**
Bachelor of Arts in Sociology, *Minor: Management Information Systems*, GPA: 3.7 — *Graduated Dec 2024*

EXPERIENCE

Newegg Commerce, Inc. — **Diamond Bar, CA**
UI/UX Designer Intern — *June 2026 – Present*

- Designed and shipped multiple landing pages end-to-end, including the Gamer Zone page with 5 vendor logos, the interactive Power Supply Calculator, and a mobile app landing page, owning the full visual design from custom backgrounds and layout to brand assets, typography, and responsive behavior.
- Built a mobile app using AI-assisted development (Claude in VS Code), translating design concepts and wireframes into functional front-end components and shortening the design-to-build cycle.
- Produced marketing banners of promotional deals with Abyssale, automating templated design workflows to accelerate campaign turnaround across multiple product categories.
- Created AI-generated influencer video content with Lovart to support product marketing campaigns, delivering scalable, on-brand creative without traditional production overhead.

Le Mieux — **Los Angeles, CA**
Digital Marketing Intern — *June 2025 – Aug 2025*

- Analyzed 400 creator collaborations in Excel (Pivot Tables, XLOOKUP), surfacing a 25% lift in reach that informed budget re-allocation and improved campaign ROI.
- Managed marketing visuals for 2 major tradeshows, owning timelines, approvals, and cross-functional communication, driving a 35% increase in attendee engagement.
- Supported 2 live brand activations, coordinating on-site assets and pitching products to roughly 20 partners, contributing to a 10% increase in post-event sales.

Rentalligence — **New York, NY**
UI/UX Designer Intern — *Apr 2025 – Jun 2025*

- Prototyped chatbot interfaces in Figma (conversation flows, quick replies, error states) and designed in-app and landing page messaging for an AI real estate chatbot, lifting engagement 20% through iterative A/B testing.
- Analyzed user behavior (drop-off points, click paths) to identify UX improvements and presented findings that refined the mobile release user journey.

Zhou Mei Inc — **Keelung, Taiwan**
Operations Analyst — *June 2024 – Sep 2024*

- Conducted research across 300+ survey responses to surface market trends, raising customer satisfaction 25%; built Excel dashboards that cut inventory discrepancies 10%.

PROJECTS

Integrated Strategic Marketing Plan: Lululemon — USC Marshall — **Aug 2025 – Dec 2025**

- Designed a 98-page 360 degree marketing plan for Lululemon, using data analytics and competitor benchmarking (Nike, Alo Yoga, Adidas) to shape positioning and strategy.
- Built an Excel financial model with pro forma P&L statements to estimate revenue impact and evaluate ROI, timeline, and budget trade-offs across initiatives.

SKILLS & INTERESTS
